Hi Eva,

Do you have an update on the status of EPA's comments related to the proposed Basis of Design – Groundwater Source Control Measure for the Premier Edible Oils site? We plan to provide ours by the end of the week.

Thank you,
Erin

Hi Brendan,

EPA has requested an electronic copy of the May 2015, *Groundwater Barrier Wall Conceptual Design and Setback Memorandum*, to complete their review. It is too large to email. Can you post this document on your file delivery service today and I will forward it on to EPA.

Greatly appreciated,
Erin
